Re: Samuel and Marsha Incardona; Case #05-93460
Request to Deposit Unclaimed Funds into the United States Treasury

Dear Clerk of Court:

Previously I forwarded my Trustee's check in the amount of \$129.60. I request that the Clerk of Court deposit said funds, in the name of the creditors and in the amounts listed below, with the U.S. Treasury as "unclaimed funds." These represented funds returned by a creditor on the basis that it no longer had a claim. Distributing these funds would require that a new report of distribution be filed. In most cases, the distribution would be less than \$5.00, and thus would be required to be treated as unclaimed fund pursuant to Bankruptcy Rule 3010(a). In two of the five cases in which the amount is larger than \$5.00, the creditor did not cash the first dividend check which the trustee provided. Thus, the trustee submits that to prepare a new report in order to distribute these small amounts would provide minimal benefit to creditors and is an undue burden to the estate.
